

# The SBA on CD-ROM

*Your guide to the Small Business Administration's programs, loans and grants.*

Since its founding by Congress on July 30, 1953, the U.S. Small Business Administration has delivered about **20 million loans**, loan guarantees, contracts, counseling sessions and other forms of assistance to small businesses.

Over the past 10 years, the SBA has helped almost 435,000 small businesses get more than **\$94.6 billion** in loans, more than in the entire history of the agency before 1991. No other lender in this country – perhaps no other lender in the world – has been responsible for as much small business financing as the SBA has during that time.

Now it's your turn to find out how you can get your share!

You owe it to yourself to see what all of the excitement is about! Find out just how easy it is to obtain a small business loan through the SBA. There has NEVER been a better time to start your own business!
